LIMITED-EDITION\* *MARYKAY AT PLAY*<sup>®</sup>  
HIGHLIGHTING STICK, \$14

Learn about the beauty industry's best-kept secret to creating the cheekbones of your dreams or a defined jawline with this sculpting duo. Contouring emphasizes the valleys of the face, where shadows naturally fall, giving features a more defined appearance. Highlighting enhances the peaks of the face, where light naturally reflects, imparting a lit-from-within glow.

## ENHANCE YOUR FEATURES WITH EASE.

**Contour:** Create depth and add definition to the hollows of the cheekbones and along the hairline and jawline with precise application and seamless blending.

**Highlight:** Illuminate the high points of the face, like tops of the cheekbones, brow bones and Cupid's bow with subtle shimmer.

## CONTOURING STICKS AND HIGHLIGHTING STICK BENEFITS:

- Creamy, buildable and blendable formula.
- Pointed tips allow for precise application.
- Retractable design dispenses product with a twist.
